PUBLIC SERVICE ANNOUNCEMENT FOR IMMEDIATE RELEASE

- Fire Lanes -

SANTA BARBARA, Ca. March 30, 2011 – It's a simple message. It's a direct message. "No Parking: Fire Lane." The Santa Barbara County Fire Department reminds people that in the event of a fire or other emergency, police, fire and medical vehicles need to have proper access so that the vehicle can get close enough to the buildings for rescue, firefighting and emergency medical duties. Leaving your vehicle unattended in a fire lane may hamper emergency efforts. When space is needed for emergency vehicles, it is immediate.

The Santa Barbara County Fire Department wants people to realize that fire lanes are important to you and your neighbor's safety. When they are needed, they must be available.
