NEWS RELEASE

FOR IMMEDIATE RELEASE

- High Fire Season Preparedness and Response Levels -

SANTA BARBARA, Ca. May 28, 2019 – On June 3rd, the Santa Barbara County Fire Department (SBCFD), in conjunction with all other local fire jurisdictions, will declare the beginning of the 2019 High Fire Season period for all areas of Santa Barbara County.

All burn permits issued for residential burning and hazard reduction will be suspended. In addition, the SBCFD will be increasing the number of resources (e.g., engines, dozers, crews, helicopters, etc.) responding to reported vegetation fires for the duration of the High Fire Season.

The SBCFD would like to take this opportunity to remind everyone who lives, works, and visits the County of Santa Barbara to be extra vigilant about fire safety. Remember to maintain vegetation clearance around structures, review and be familiar with your “Ready! Set! Go!” wildfire action plan, and be extra cautious and aware when traveling or staying in the wildland areas of the county.
